TRUST NET 21 Application Guide

Application Process

Please check the below application process before you apply. Please note that if there were any lack or mistake of documents and information, the examination process would take much time.

1 Fill in the form

2 Examination

3 Result and Contract

Please fill in the first page of this application form and hand in it with required documents to the real estate agent company.

*The required documents depend on a visa status. Please refer to [Required Documents] below.

- ① Document Examination ---- Your documents will be reviewed by Global Trust Networks.
- Telephone Examination ---- You, your tenants, family and your domestic emergency contacts and your company will be called by Global Trust Networks today or tomorrow. Please let them know it.

We will notify your examination result to the real estate agent company. If the result is "Approval", the company will give a guide of the contract process.

Required Documents

Required documents for the examination depend on you and your tenant's visa status. Checking the table below, please prepare the document in a relevant category.
